NOTEBOOK/LCD

SCREEN CLEANER

Clean Your Notebook Screen Safely and Conveniently

CleanDr[®] Notebook/LCD Dual-Surface Screen Cleaner with UltraClear[™] Screen Cleaning Solution provides safe and quick removal of dust, dirt and oil from plasma, LCD and all other types of screens. This portable, self-contained screen cleaning device is ideal for use on notebook computers and other hand-held screens and electronics.

The CleanDr[®] Notebook/LCD Screen Cleaner features a unique dual-surface, multi-use microfiber cleaning material. The blue microfiber side of the screen cleaner works in tandem with CleanDr[®] UltraClear[™] Screen Cleaning Solution for the safe removal of the oils that cause smudges and streaks. The smooth gray microfiber side of the cleaner dries the surface and attracts excess dust, leaving a clear, spec-free screen.

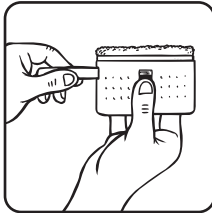

Free of ammonia, alcohol or detergents and specially formulated for plasma and LCD screens, the CleanDr[®] Notebook/LCD Dual-Surface Screen Cleaner system delivers a streak-free, glare-free finish every time. When used as directed, UltraClear[™] Screen Cleaning Solution is approved for use on all leading manufacturers' LCD and plasma screens.

Safely Clean Screens in 3 Easy Steps

1 EXTEND

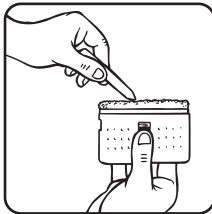

blue microfiber side of device to release UltraClear[™] bottle.

Squeeze bottle is only accessible when blue microfiber is extended.

2 SQUEEZE

2-3 drops of UltraClear[™] screen cleaning solution along blue microfiber side of cleaner (do not squeeze directly onto screen).

3 WIPE

blue microfiber on the surface to be cleaned. Finish by extending smooth gray microfiber side of device to dry surface.

Replace squeeze bottle in side opening. Store device with both microfiber pads retracted inside device.

Microfiber Care: To avoid streaking and dirt and grime build-up, hand wash microfiber pads regularly in stream of warm water. Do not submerge in water or foam pads under microfiber may not completely dry. Fluff fibers before next use. Always store completely dry.

90 Day Limited Warranty

The CleanDr[®] Notebook/LCD Dual-Surface Screen Cleaner is backed by a manufacturer's 90 day limited warranty. If the product is found to be defective in materials or workmanship within 90 days of purchase, it will be replaced by Digital Innovations at no charge. Digital Innovations, LLC will not be responsible for any incidental or consequential damages or for any loss arising in connection with the use or inability to use this product. This warranty excludes defects or damage due to misuse, abuse, or neglect. Contact Digital Innovations for details. Restrictions may apply.
